**OFFICE OF THE SECRETARY TO THE PRESIDENT**

*New Delhi, the 1st September 1956*

**No. 21-Pres./56.**—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Vindhya Pradesh Police:—

*Name of the officer and rank.*—Shri Daryao Singh, Head Constable No. 44 of District Tikamgarh (now officiating Sub-Inspector of Police), Vindhya Pradesh.

*Statement of services for which the decoration has been awarded.*—On the 18th December, 1955, while on patrol duty Head Constable Daryao Singh learnt of the presence of notorious armed dacoits Halkain Singh and Juja in village Chopra, Police Station Budera. Placing his men at certain strategic points, the Head Constable advanced towards the spot where the dacoits had camped.

On seeing Head Constable Daryao Singh, one of the villagers signalled to the dacoits. Juja took to his heels but Halkain Singh, armed with a D.B.B.L. 12 bore gun, immediately fired at the Head Constable who quickly took cover behind a 'Neem' tree. When the Head Constable again advanced, the dacoit fired a second shot which he missed. The out-law then started re-loading the gun but before he could again aim at the Head Constable, the latter courageously dashed towards him with lightening speed and grappled with him and the gun. In a desperate struggle which lasted some time, Head Constable Daryao Singh fought hard against his powerful adversary. In the meantime Constable Ram Dayal who was at a short distance, rushed to the spot, and caught hold of the dacoit's hands from behind. The Head Constable then wrenched the gun out of the dacoit's hands.

The dacoit threw off Constable Ram Dayal and attempted to escape. Head Constable Daryao Singh who had dropped his own rifle in the struggle, fired at the dacoit with the latter's gun and wounded him fatally.

Head Constable Daryao Singh in this struggle with the notorious dacoit who was an important member of Devi Singh's gang, exhibited qualities of outstanding courage, and self confidence.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 22-Pres./56.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Madhya Pradesh Police:—

*Name of the officer and rank.*—Shri Bhajan Singh, Constable, District Hoshangabad, Madhya Pradesh.

*Statement of services for which the decoration has been awarded.*—Due to heavy rains and unprecedented flood in river Ajnal on 28th August, 1955, almost the entire village of Rahatgaon was submerged in a few hours, whereupon the Station Officer Shri B. G. Thakur of Rahatgaon rushed with all available staff to the flood-stricken village to organise rescue work. Except for a few double-storeyed buildings situated on a high level the rest of the village habitation was completely under water, the current of the flood water being extremely swift. The village population trapped in their houses were seized with panic. Regardless of considerations of personal safety Constable Bhajan Singh rescued, one after another, 19 persons. The nineteenth person to be rescued was an old woman and the Constable by now was so exhausted that he could not reach the destination. He had to catch hold of a tree en route and help the old woman climb up the tree. In carrying out single-handed the rescue operation which resulted in the saving of 19 lives, the Constable showed outstanding and commendable gallantry.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 23-Pres./56.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Bombay Police:—

*Names of the officers and ranks:*

1. Shri Sitaram Bhikaji Khopkar, Police Constable of the Greater Bombay Police Force.
2. Shri Vishnu Narayan Belnekar, Police Constable of the Greater Bombay Police Force.

*Statement of services for which the decorations have been awarded.*—Police Constables Sitaram Bhikaji Khopkar and Vishnu Narayan Belnekar were on duty at the residence of the Chief Justice of Bombay on Saturday, the 11th February, 1956. They had their posts at the gate of the compound. At about 2-30 P.M., a taxi arrived at the gate with a lone occupant. On enquiry, the occupant stated that he was the nephew of the Chief Justice and so the taxi was allowed to proceed towards the residential bungalow of the Chief Justice. He was however informed by the peons at the bungalow that he could see the Chief Justice only by appointment and, therefore, should contact the Secretary to the Chief Justice on the following Monday and seek an appointment. The visitor was adamant and refused to budge. The Chief Justice directed the peons to seek the assistance of the Police Constables in removing him. Police Constable S. B. Khopkar who came forward went up to the visitor who was seated in the verandah and requested him to leave the place, but the latter refused. Police Constable S. B. Khopkar, thereupon, held him by the arm and was leading him away when, all of a sudden, the intruder whipped out a large knife and plunged it into the Constable's abdomen, and inflicted injuries on the Police Constable who endeavoured to hold on to the assailant. At this stage, the Chief Justice's Chopdar Adam Shah, picked up a bamboo which was lying handy and went at the assailant, who stabbed the chopdar in the back—with fatal result. The assailant attempted to break into the Chief Justice's apartments, when Police Constable Vishnu Narayan Belnekar, fired one round from his service rifle at the visitor. The latter dropped but made a vain bid to rise again and in a last desperate attempt flung his knife in the direction of the Son-in-law of the Chief Justice who had by then come out. Simultaneously, Police Constable V. N. Belnekar fired another round from his service rifle; the assailant dropped down. Later enquiry revealed that the armed intruder had a previous conviction under Section 324, Indian Penal Code, and was mentally unsound.

Police Constable S. B. Khopkar displayed heroism and courage and devotion to duty of a very high order.

Police Constable V. N. Belnekar was remarkably cool and collected in handling the situation. There is no doubt that the firm and courageous manner in which he dealt with the assailant prevented him from forcing his way into the Chief Justice's residence.

2. These awards are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 24-Pres./56.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the West Bengal Police:—

*Names of the officers and ranks:*

- Shri Subodh Kumar Ray, Platform Inspector of Police, Government Railway Police, West Bengal.
- Shri James George Mylan, Platform Inspector of Police, Government Railway Police, West Bengal.
- Shri Satya Ranjan Bhattacharji, Sub-Inspector of Police, Government Railway Police, West Bengal.

*Statement of services for which the decorations have been awarded.*—On the 21st February, 1954, Rameswar Singh and Ranjit Singh—two dangerous dacoits of Rajasthan—arrived at Howrah Station by 74 Down Punjab Mail at about 10-00 hours. They were proceeding towards the exit gate of the platform when an Excise Peon asked them to stop as he wanted to search their belongings for contraband articles. After showing a few articles Rameswar abruptly closed the lid of the suitcase. This roused the suspicion of the

Excise Peon who noticed something which looked like a barrel of a gun inside the suit case. Ranjit tried to hurry up towards the exit gate when the Excise Peon caught hold of his coat. Ranjit pushed aside the Peon and whipped out a revolver and hit the peon on his left thigh. He also fired and hit two unarmed constables on duty. Rameswar, the other dacoit brought out and brandished his Sten-gun. On seeing three police officers rushing towards them, the miscreants ran out of the exit gate of the platform towards the station road firing all the while from both the Sten-gun and the revolver, and continued firing recklessly from behind a stationary car. Inspectors Ray and Mylan fought a gun duel with the desperadoes face to face at great risk to their lives. While Inspector Ray was engaged exchanging fire on the ground, Inspector Mylan quickly went up to the first floor of the Upper Class Waiting Room and fired injuring Rameswar. Ranjit thereupon grabbed the Sten-gun from the possession of Rameswar and continued firing using both the revolver and the Sten-gun. Ranjit found the cover insecure and tried to escape under a smoke screen by throwing a smoke grenade. He was chased by Inspectors Ray and Mylan and Sub-Inspector Bhattacharji who were by that time joined by other police officers and men. The desperado ran and in the course of his indiscriminate firing killed two old women. Inspectors Ray and Mylan pursued the chase and near No. 2 jetty there was another exchange of fire. Shri Bhattacharji succeeded in disabling Ranjit on his left hand by well-aimed fire and captured him.

2. These three police officers displayed commendable devotion to duty and personal courage while chasing at great personal risk to their lives two notorious armed dacoits of Rajasthan who recklessly fired from their revolver and sten-gun to make good their escape. Their determination, teamwork and personal gallantry are to be highly commended.

3. These awards are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 25-Pres./56.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Punjab Police:—

*Names of the officers and ranks:*

1. Shri Bua Singh, Foot Constable No. 725, Punjab Police, and
2. Shri Rur Singh, Foot Constable No. 658, Punjab Police.

*Statement of services for which the decorations have been awarded.*—On the 5th October, 1955, Head Constable Goverdhan Dass and Foot Constable Rur Singh and Bua Singh were on duty in Dera Baba Nanak which along with many other places in the Punjab was badly affected by the unprecedented October floods. At about 8 P.M. they heard somebody shouting for help. Undaunted by the swirling floodwaters and the pitch-darkness, Foot Constables Rur Singh and Bua Singh at once set out to save the man. Hastily procuring a petromax they entered the water—Bua Singh holding the petromax aloft in his left hand. The two Foot Constables then swam in the direction from which the cries came but as the current was too swift they could not cross it. They then went upstream for some distance and from there managed to swim to the place from where the cries came. They found a man clasping the trunk of a Kikar tree which he had climbed to save himself from drowning. Foot Constable Rur Singh put him on his back and swam back ashore guided by the light held by Bua Singh.

Foot Constables Bua Singh and Rur Singh displayed initiative and gallantry of high order in carrying out the rescue operations.

2. These awards are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

## MINISTRY OF PRODUCTION

### RESOLUTION

New Delhi, the 28th August 1956

**No. 25-CI(12)/56.**—Coal will constitute the major source of energy in the country for at least the next few decades. Coal is vital for a number of essential key industries. Its by-products are the basis of numerous chemical industries. The production, treatment and utilisation of coal will assume rapidly increasing importance for the industrial development of the country over the next few years and much of the success of the second and third Five Year Plans will depend upon it. Planning for coal is closely inter-linked with many aspects of industrial planning. The Government consider it necessary that closely integrated action should be pursued in order to achieve the most fruitful use of the available coal resources.

2. Coal is a wasting asset; and since the country's resources are not over-abundant, it is important to apply scientific and technical methods to conserve and to utilise coal in the most efficient ways.

3. Various committees that have been set up by the Government in the past have studied the different problems relating to coal and have made recommendations from time to time. Many of these recommendations have been accepted by the Government in principle and have been acted upon to the extent which has been practicable. The Government are however increasingly impressed by the need for more closely integrated action in future in the problems relating to coal. To accomplish this, it is essential that the entire complex of coal problems including particularly the assessment of resources, the demand, production, transport, treatment, scientific processing including utilisation of bye products, conservation, economical use, and the like, should be under constant review by a central body. This will help towards planning, the assessment of priorities, and the establishment of time schedules to be formulated on an integrated basis, and will particularly enable the Government to have in view the overall picture in the context of which particular measures or recommendations have to be decided upon.

4. The Government have accordingly decided to set up a high powered body, to be known as the Coal Council of India, whose main purpose will be to have reviews and studies conducted under its overall supervision and guidance, for planning of the development, utilisation and due conservation of the coal resources of the country. The scope of the Committee will include the matters which are set out in the schedule appended, as an illustrative list which is not intended to be comprehensive. It will be necessary for the Coal Council of India to consider whether and if so what other problems relating to coal should be brought under its review and study.

5. The Coal Council of India will consist of the following:—

1. The Minister of Production, Government of India: *Chairman*.
2. Deputy Minister of Production.
3. Dr. J. C. Ghosh, Member Planning Commission.
4. Shri B. Mitter.
5. Shri J. N. Mookherji.
6. Shri Narendra Singh Singh.
7. Member, Railway Board (Transportation).
8. The Director of Scientific & Industrial Research.
9. The Coal Controller.
10. The Chief Executive Officer, Lignite Project, Madras.
11. Secretary, Ministry of Finance (Expenditure).
12. Secretary, Ministry of Iron & Steel.
13. Secretary, Ministry of Irrigation & Power.
14. Secretary, Ministry of N.R. & S.R.
15. Secretary, Ministry of Production.

6. The members of the Coal Council of India will hold office for three years, except the official members, whose membership will be *ex-officio*.

7. The Government may from time to time appoint such other members to the Council as may be considered necessary.
